

Graad 9 - Vakkeuses 2020

Slegs vakke waarin genoeg belangstelling getoon word sal op die finale vakkeuse lys verskyn. 'n Minimum van 15 leerders per vak anders sal die vak ongelukkig nie aangebied kan word nie.

MERK SLEGS WISKUNDE EN 3 ANDERS VAKKE WAARIN JY BELANGSTEL.

Let asseblief op die volgende:

- Om Wiskunde as vak te neem, moet jy in graad 9 minstens 50% + behaal.
- Om Fisiese Wetenskap te neem, word aanbeveel dat jy in graad 9 minstens 60% + behaal.
- Om IT te neem moet jy vir beide tale, sowel as Wiskunde in graad 9 bo 60% kry.
- Indien 'n leerling IT of Fisiese Wetenskap neem, moet hy/sy ook Wiskunde neem.
- Daar word sterk aanbeveel dat leerlinge wat Rekeningkunde wil neem ook Wiskunde as vak neem.
- Om Elektriese, Siviël - of Meganiese tegnologie te kan neem, moet leerlinge ook Wiskunde/Tegniese Wiskunde en Ingenieursgrafika en ontwerp neem.
- 'n Leerling kan nie beide Meganies en Elektriese/Siviele Tegnologie neem nie.

Grade 9 - Subject choices 2020

Only subjects in which enough interest was shown on the enquiry form will be reflected on the final subject choice list. A minimum of 15 learners per subject otherwise the subject will unfortunately not be offered.

MARK ONLY MATHEMATICS AND 3 OTHER SUBJECTS IN WHICH YOU ARE INTERESTED.

- To take Mathematics it is expected that a learner should attain at least 50%+ in mathematics at the end of grade 9.
- To take Physical Sciences it is expected that a learner attains at least 60% + in Sciences at the end of grade 9.
- To take Information Technology it is recommended that the learner attains 60% + in Mathematics and 60% + in Afrikaans and English.
- If a learner takes Physical Sciences or Information Technology, Mathematics should also be taken.
- If a learner takes Accounting, it is strongly recommended that Mathematics must be taken.
- There are several study opportunities available where Mathematic Literacy is accepted
- To be able to take Electrical, Civil or Mechanical technology, learners must also take Mathematics / Technical Mathematics and Engineering Graphics and design.
- A learner cannot take both Mechanical and Electrical/Civil Technology.
